Alexandria, VA 22313-1450

Sir:

In response to the "Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US)," for the above application, Applicant respectfully provides the following information with regard to the "Translation of the application into English....The text in the drawings has not been properly translated. Legend text page 6."

Applicant respectfully submits that ALL text in the drawing sheet 6/6 is in the English language as indicated below (with the exception of the misspelling of: "POLYCRYSTALLINE STANDARD":

Von Mises: this is the name of a well-known criterion (the name of the mathematician who defined the criterion). The name is used all over the world.

SIM: this corresponds to the present invention (SIM: simulation).

RESPONSE TO NOTIFICATION OF MISSING REQUIREMENTS
U.S. APPLN. NO. 10/595,061

EXP: experimental.

See especially pages 6, 30 and 37 of the specification.

Enclosed is a replacement formal drawing sheet 6/6 in which the misspelling of "POLYCRYSTALLINE" has been corrected in Fig. 9.

The statutory fee of \$130.00 is being charged to Deposit Account No. 19-4880 via EFS Payment Screen. The USPTO is also directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,

/John H. Mion/
